### Objective

A dedicated and quick-learning full-stack developer specializing in the MERN stack, seeking a challenging role to leverage my skills in full-stack development and contribute to innovative projects with a focus on creating efficient and scalable solutions.

---

### Education

#### Full Stack Developer Course

TalentSprint, Hyderabad (2024)

#### Bachelor of Science (B.Sc) in Mathematics, Physics, and Computer Science (MPCs)

Sri Arunodaya Degree College, Korutla (2019 - 2024) Aggregate: 75%

#### Intermediate (Class 12)

Telangana State Junior College, Kallur (2017 - 2019) Aggregate: 59%

#### Secondary School Certificate (SSC)

Telangana State Model School, Kallur (2016 - 2017) Aggregate: 82%

---

### Skills

#### Technical Skills:

- Frontend: HTML, CSS, JavaScript, React, Tailwind CSS, Chakra UI, Material UI
- Backend: Node.js, Express.js
- Database: MongoDB, MySQL
- Version Control: Git, GitHub
- Deployment: Vercel, Netlify
- Tools: VS Code

#### Soft Skills:

- Time Management
  - Adaptability
  - Team Work
- 

### Languages

- English and Telugu

## Project Experience

### Dunzo Clone (MERN Stack): [Live Demo](#)

- Built a full-stack web application simulating the functionality of the Dunzo website.
- Utilized MongoDB for the database, Express.js for the server-side framework, React.js for the frontend, and Node.js for the backend.
- Implemented user authentication, item listing, and order management features.
- Deployed the application on Vercel for demonstration purposes.
- Improved code efficiency and user experience through iterative testing and feedback.

### Notes App (MERN Stack): [Live Demo](#)

- Built a full-stack web application simulating the functionality of the notes application.
- Utilized MongoDB for the database, Express.js for the server-side framework, React.js for the frontend, ChakraUI for styling and Node.js for the backend.
- Implemented user authentication, notes listing, editing features.
- Improved code efficiency and user experience through iterative testing and feedback.

---

## Certifications

- Full Stack Development Certification from TalentSprint, Hyderabad.

---

## Professional Summary

- Strong foundation in full-stack web development with a focus on React.js and Node.js.
- Proven ability to learn and adapt quickly to new technologies and frameworks.
- Excellent time management and adaptability skills ensuring timely and efficient project completion.
